

Do you know what your heart does?

This poem will help you remember the heart is a muscle that pumps blood through your body.

ANATOMY

WHAT DOES YOUR HEART DO?

My Special Pump

My heart is a special pump
and it's good at pumping blood.
When I listen to my heartbeat
I hear it go lub-dub.

My heart is made of muscle,
which makes it very strong.
If I work to keep it healthy,
it will last my whole life-long!
